The Liquor License Ordinance and The Liquor Act.

Some Comparisons.

The Liquor License Ordinance as at present on the Statute Book has been brought to its present position through years of practical working experience. It is one of the most useful licensing Acts to be found in the whole Dominion and under it the people have full power to secure the carrying out of their wishes.

The proposed Liquor Act which the electors of the province are being asked to vote for on July 21st next is a measure of wanton destruction. It expressly repeals the Liquor License Ordinance and all amendments thereto. It therefore sweeps away the protection given to the people in the Liquor License Ordinance. The proposed Liquor Act gives no protection to anyone.

Under the Liquor License Ordinance there is set up an hotel system, rules are prescribed for the carrying on of the same; the sale of liquor is carefully regulated and the license holders are defined in the most careful manner. The important matter to be borne in mind is that the Liquor License Ordinance is enforced and observed by the license holders.

The proposed Liquor Act while it destroys the Liquor License Ordinance makes no attempt at anything in the shape of construction except to define the duties of vendors, doctors, dentists, and others. It undertakes nothing in relation to the hotel system which the Liquor License Ordinance at present takes care of. Let the advocates of the Liquor Act state now what is their policy in regard to the hotels. It is a live question in Saskatchewan today. Why are the promoters of the Liquor Act in Alberta fighting shy of it.

The Liquor License Ordinance confines the sale of liquor to a by no means unreasonably large number of license holders in view of the population of the province. In this matter it protects the interests of young persons, interdicts, intoxicated persons and Indians. For proof that the Liquor License Ordinance is carefully administered, it has to be stated that last year only five license holders in the province were found guilty of breaches of the law.

The proposed Liquor Act would withdraw all the above protection. It would make the practice of drinking inconvenient and costly by the fact that liquor for beverage purposes could not be legally obtained inside the province. It would make the home the resort and directly incline towards the establishment of illicit drinking places without any kind of regulation for old or young, or interdicts (there could be none of the last under the proposed Liquor Act). The Liquor Act has many penal sections. It is true, but they lack the constructive element so conspicuous as a part of the present Liquor License Ordinance.

The real test of the matter is to read the proposed Liquor Act. The difference between the two will be readily perceived and the public will realize that it has in its possession in the Liquor License Ordinance an excellent measure, the value and the complete usefulness of which will be perceived at once. The promoters of the proposed Liquor Act are appealing largely to sentiment. They are issuing leaflets of a highly colored character with a number of not very easily substantiated statements. The opponents of the proposed Liquor Act are fortunate in having to present facts only and they fully realize that the voters of Alberta are intelligent enough to consider

the merits of the case upon facts and not "hot air". The cost of administering and enforcing the proposed Liquor Act would impose a heavy financial burden, especially upon the farmers of Alberta.

On the one hand there is the actual present fact in the shape of the Liquor License Ordinance with all its advantages.

On the other is the proposed Liquor Act and all its drawbacks and disadvantages.

To defeat the Liquor Act on July 21st should be the duty of the voters of Alberta.—Advt.

District News.

SUNNYVALE.

The people of the neighborhood appreciate the fortnightly services in Holy Hope church after the long winter and blizzards roads.

The W.A. held their regular annual meeting at Mrs. T.B. Hand's last Wednesday in April. The following officers were elected for the ensuing year: President, Mrs. Hand; Vice-president, Mrs. Tippett; Secretary, Mrs. Murphy; Treasurer, Mrs. Thomas. Two delegates were appointed to attend the annual meeting in Medicine Hat the second week in June.

Miss Ida Richardson is spending the week with Miss Pearl Ankle.

Mr. A.W. Plummer is settling out town and otherwise busy.

Mr. J. Silvers is spending a few days at the home.

Johnnie Greig is staying with Orville Hand a few days, and incidentally striking terror to the hearts of the gophers.

We are glad to report that Mrs. Murphy is progressing favorably.

Mr. Stanley Fleming recently left for the McGregor ranch for the summer.

Mr. J. Loy reports that the army out town is very bad on his place.

Mr. F. Sutton spent over Sunday at the home.

FERTILE PLAINS.

Mr. and Mrs. O. Selberg were visitors to Medicine Hat last week.

We are glad to hear that Mrs. Jos. Noll who was suddenly taken ill on Friday, April 23rd, has now fully recovered.

Misses Beatrice and Ellen Neil were the visitors of Miss Faith Gibson for the week ending April 23rd.

Mr. W. S. Henry, teacher of the Potville Plains school, invited the parents of the scholars on Friday, April 16th. We all wish him further success.

Master Dean, Tweedie, busied his busy body the other day whilst playing at school.

HAYCROFT AND SELZ.

At last a Sunday school has been organized in Haycroft public school, and the following have been elected officers and teachers for the first three months—Mr. Thos. Roberts, supt.; Mr. D. M. Garison, assistant supt.; Mr. Johnston, gen. secretary; and among the teachers are Mrs. Geo. Evans, Mrs. D. M. Garison, Mrs. Steele and Mrs. Johnston. The Sunday school opened for the first time last Sunday, May 2nd, over thirty being present. Mr. T. Roberts officiated as superintendent, being ably assisted by Mr. D. M. Garison. The adults devoted themselves to a Bible class of nine members, and selected Mrs. E. B. Steele as their class leader.

Mr. Thos. Roberts, Mrs. D. M. Garison and Mr. and Mrs. Wayne Johnston were unavoidably absent. Mrs. Art Garison and Mrs. Geo. Evans, teachers, took charge of the junior classes. A plentiful supply of literature is expected next Sunday and the Rev. Mr. Pike, the new pastor, will arrive from Toronto about the middle of the month. The school is a cheering success, and in future will commence at 2:30 p.m. every Sunday.

Little Fawn Gea is somewhat convalescent after having recently sustained fracture of the ribs.

A large number of farmers from

this district were in Bow Island for Saturday's market.

Mrs. Morgan was a Bow Island visitor on Wednesday.

Mrs. Ed. Warrie, Mrs. Ambie and Miss Ambie, the three sisters of Mrs. R. Howard, visited here Wednesday by way of a surprise, this being Mrs. Howard's birthday. Presents were in evidence.

We regret to learn that the item stating that the West coal mine was running on a certain Sabbath caused some displeasure in P.M., but our information was derived from an authentic source.

Asst. Supt. D. M. Garison of the Haycroft Sunday school, desired to announce that there will be regular preaching for the adults on Sunday, May 16th, at three p.m., after the Sunday school is dismissed.

LOCAL & GENERAL.

G. H. Johnston, autoist, into town to-day from Hardisty.

Miss MacLaren, teacher of No. 2 school, has been seriously ill this week.

Dr. and Mrs. Poyntz of Grass Lake were visitors to Bow Island yesterday.

Mr. and Mrs. Ambie were visitors to Medicine Hat this week.

Elmer Still, who now resides at Spokane, is spending a few days in Bow Island.

J. W. Reid received on Thursday a wire informing him of the death of his father at Coldwater, Ontario.

Messrs. A. Swenmans, R. S. Beattie, J. W. Hard and J. M. Beaton were visitors to Calgary this week.

Rev. R. J. Patterson's address on "Prohibition," in the I.O.O.F. hall last evening (Thursday) was a big treat for Bow Island. Mr. Patterson's eloquence, combined with his evident sincerity and knowledge of his subject, attracted his audience to a really remarkable extent.

The Pure-bred Live Stock Association, which was recently formed in Bow Island, has recently received a pure-bred Clydesdale stallion from the Dominion government.

The Lord Bishop of Calgary will hold a Confirmation service at All Saints' Bow Island, on Wednesday, May 19. There will be a short evening service at eight p.m., followed by the Confirmation service.

Mr. Longman, of the School of Agriculture, Charlottetown, spent a few days around Bow Island this week watching the movements of the cut-worm. The result of his investigation is that the worm is not nearly as numerous as he was led to expect, and Mr. Longman does not believe, providing the farmer takes precautions, there is any great danger from them.

On Thursday, May 20th, an attractive patriotic concert will be held in the I.O.O.F. hall at 8 p.m. in aid of the Red Cross funds and also the Bow Island Boy Scouts. Twenty-five per cent. of the net proceeds will be for the boy scouts.

Among the artists who have promised their services are Mrs. Peterson, Mr. and Mrs. J. B. Tremblay, the Bow Island Orchestra, the All Saints' Church Vocal Quartet, and a short skit will be acted by two boy scouts. Admission at popular prices. Come and support the Red Cross Fund and the Boy Scouts.

The municipal bye-elections for Mayor and one councillor passed over with but little interest or excitement to mark the event. It was almost a foregone conclusion that R. H. Robertson would be the only one submitted, and nomination day proved this surmise to be correct. His election by acclamation is very favorably regarded by the ratepayers. Mr. Robertson having spent during his connection with the Town Council a great deal of time on matters

affecting the interests of Bow Island, especially during the installation of the gas system, a project to which he gave the utmost consideration and attention. The vacant seat upon the Council resulted in a contest between R. D. Smith and A. E. Werts, in which the former secured the coveted honor by a small margin.

A half holiday is proclaimed for Wednesday next, May 12th, to give the citizens an opportunity to "clean up."

A big programme of sports has been outlined for the 24th in Bow Island. Make arrangements to spend the day in town.

All Saints' Church.

Monday, Tuesday and Wednesday of next week are Rogation days, and special days of prayer for the crops.

Special service on Monday at eight p.m. You are especially asked to attend this. Confirmation service at 8:30.

Thursday—Feast of the Ascension—Holy Communion 8:30 a.m. This is one of the five great festivals of the Church. Evening with sermon at 8 p.m.

ALL HAVE EYES ON INDUSTRIES

Western Canada is Wide Awake to the Importance and Necessity of the Local Factory.

In every city in Western Canada, and in practically every town, there is a high salaried commissioner whose special work is the securing of industrial enterprises for his particular municipality. In no part of the world is there greater activity along this line than in Winnipeg, Brandon, Regina, Moosejaw, Medicine Hat, Lethbridge, Calgary, Edmonton, Saskatoon, Portage, La Prairie and other cities. The inducements these centres offer are in most cases very attractive, including free sites, and low assessments. They have selected a list of industries for which they think they have special advantages, and are making a vigorous campaign to secure them. All this goes to show that the thoughtful and enterprising Westerner realizes that the factory must be hand-maiden to the farm. They do not expect to become great and thriving by agriculture alone. There must be the basis of industrial activity, which will not only ensure large population but will provide a home market for the produce of the immediate farming district.

This persistent search for industries is not by any means confined to the larger Western centres. The smaller places also fully appreciate the importance of the factory in the permanent development of any community. Consequently all are casting their lines for factories. A few instances may be mentioned as representing the general movement.

Camrose wants a dairy; Yorkton, a packing plant; Weyburn, a fax mill; Wilkie, several mills; Hazeley, a tannery; High River, iron mills; Gravel, a foundry; Watford, oatmeal mills; North Battleford, a fence wire factory; Leduc, a packing plant; Dayland, linseed oil mills; Russell, flour and oatmeal mills; Red Deer, a clay product plant; Aird, a brick-making plant; Macleod, four mills; Estevan, a cement factory; Strathmore, breakfast food mills; Souris, creameries; Virden, a flour mill; Broadview, a packing plant; Tad Dea, pulp and paper mills; Lacombe, clay plants; Taber, brick and clay plants; Milestone, a cement factory; Crumree, a cement factory; Hertz, a foundry and a packing plant.

The list is not intended to be exhaustive, and would present a very diversified table of industrial requirements.

MIXED FARMING

Vice-President Bury is Much Interested in the Subject

Vice-president Bury, of the Canadian Pacific Railway, while in Calgary returning from a trip to the States, said the railway is very much interested in the question of mixed farming, and will do everything in its power to encourage the farmers to engage to a greater extent in this branch of agriculture. He believed that more mixed farming was being done in the vicinity of the railway and it is astonishing to find so much agricultural produce being imported. "On this trip," he said, "I was served with butter from New Zealand, mutton from Australia, fruit from the United States, marmalade from England, and potatoes from Virginia. At Vancouver I noticed a shipment of twenty-five carloads of condensed milk from Eastern Canada being loaded on a vessel for export. All these articles should be produced in Western Canada."

LESSON FOR WESTERN CANADA

"Farmers from all parts of the province are well provided with the butter, eggs, poultry, pork, lard, beef, carrots, fruit and grain. Producers and consumers deal with each other direct. Nearly every housekeeper in Chatham must have attended with basket on arm, and there was enough produce of the farm to satisfy all. This is a picture of the market at Chatham, Ontario, one which should inspire itself upon Western Canada."

THE EGG MARKET

The demand for eggs in Canada has increased much more rapidly here in supply during recent years. In 1903 we exported to Great Britain the value of \$1,723,542; since 1903 we have exported and failed to keep that a value of twenty-five to thirty dollars while the imports in 1911 reached a value approaching the same millions dollars. It is pointed out that farmers are not taking full advantage of the high prices offered for strictly new laid eggs at all seasons of the year.

Favor Mixed Farming

All the Macleod banks favor mixed farming. They have announced that the farmer who wants to become money for mixed farming will be able to borrow more and better than the farmer who wants to go in for wheat alone.

A New Thought.

AFTER the war is all over and the British Colonies get equal representation with the mother country in a new Imperial Parliament of the Empire, will the new Parliament be held at the City of Jerusalem, which would be the most central for all parts of the Empire.

Another Thought.

A thought that is worth money to you and one which you should never forget, is that T. W. DYER handles a full line of General Merchandise, and is also paying especial attention to the Seed and Feed question at the present time. Anyone wishing to get seed or any kind of feed from us should bring empty sacks with them, as we always buy our grain in bulk and get the chopping done in town, so that we can guarantee the quality of the goods and save the expense of the sacks. First-class hay always in stock.

T. W. DYER

General Merchant

Bow Island
